

The objective of the course is to provide training for individuals who wish to operate an agricultural tractor at a competent level. This is delivered as an in-house training course and also offered as the CPCS route.

Duration	Certificate	Number of Participants	Delivery	Assessment
Dependent upon candidate ability and experience	In-house or CPCS	1-3	Classroom and Practical	Theoretical and Practical Testing

Who is it for?

All Plant Operators who use agricultural tractor. This course is suitable for novices, intermediate level or experienced operators who need to refresh their skills or achieve a certificate of competency or relevant CPCS Card.

What does it cover?

All aspects of theoretical and practical skills in the operation of an agricultural tractor:

- Name and explain the purpose of principle plant components, the basic construction, controls and terminology.
- Conform to manufacturers requirements as per the operator's handbook, other types of information source and relevant regulations and legislation.
- Undertake all pre-use checks.
- Configure and set for site and highway travel.
- Travel over rough, undulating ground, substantial inclines and level surfaces with mounted and trailed implements.
- Manoeuvre the plant equipment in confined spaces with trailed and mounted implements.
- Attach and set trailed implements ready for work.
- Attach and set mounted implements ready for work.
- Attach and set power take-off drives ready for work.
- Explain actions required for hazards, underground and overhead services.
- Operate a mounted or power-driven implement.
- Remove and store trailed and mounted implements.
- Carry out plant shut down and securing procedures.
- Explain the loading and unloading procedures for machine transporting.

On completion of this course:

All in-house candidates successfully completing the course in full will be awarded an MGL Group Training Services Certificate.

All CPCS candidates after achieving their CPCS Theory and Practical Technical Tests shall receive their CPCS Red Trained Operator Card, valid for 2 years.
