## Demolition

### CITB Demolition Plant Operation Apprenticeship Level 2

#### What is a Demolition Plant Operator?

This Apprenticeship has been designed in close consultation with the Demolition Industry and sets out to offer Demolition Plant Operatives an appreciation of all aspects of demolition.

Demolition Plant Operatives are trained to demolish or dismantle buildings and other structures. Once the demolition is complete, the site must be cleared and the debris moved, often for recycling.

#### Apprenticeship Summary

<b>Duration</b>	<ul style="list-style-type: none"> <li>■ Year 1 - 12-weeks training plus testing at the National Construction College (NCC)</li> <li>■ Year 2 - Employer-based work experience with assessment for the Level 2 NVQ in Plant Operation carried out by the NCC.</li> </ul>
